BUTLER BANDS

Our 2024 show brings Roman mythology and classical music together in a fun production that showcases the "personalities" of the planets in our solar system as described by the Romans, and pays tribute to the Gustav Holst suite "The Planets"

"Colossal spheres glide through an infinite void unhampered, a cosmic ballet, forever onward, never dampened. Each planet a world, a universe unto itself, a cosmic symphony, a celestial shelf. From gaseous giants, to rocky realms so small, a cosmic tapestry, a wondrous ball. As planets align, their orbits intertwine, a celestial spectacle, divine.

Beginning in the 2024-2025 school year we will also offer an Indoor Percussion Unit and Pit Orchestra in collaboration with the rest of the Arts department. The 2023-2024 school year had many successes for its first year of activity, including numerous caption awards for the Marching Band, superior rating at the NC Bandmasters Concert Music Performance Adjudication, and circuit champions for the Winter Guard through the Carolina Winter Ensemble Association. This Fall the Palisades HS Wind Ensemble will perform joint concerts with the Carolina Wind Orchestra and with Catawba College and the Marching Band will be performing in the Novant Holiday Parade which will be aired on WCCB on Thanksgiving Eve.

Our 2024 Show is entitled Mended, and it has to do with decision making process of what to do after something you covet (be it ambitions, relationships, etc) is "shattered" from what you recognize it as and you mend it (or you), you realize that process makes you stronger than what it was to start with.
